FAIRMONT CHATEAU WHISTLER

WHISTLER, CANADA

A Great Canadian Adventure in Whistler!

Whistler is one of Canada's top destinations - for Canadian and international visitors alike. With its awe-inspiring scenery, wide array of outdoor activities and laid-back mountain culture, it is a great place for a Canadian adventure! The Pulse & Special Crops Convention is expected to bring more than 400 delegates from 25 countries around the world to Whistler in September.

Hosted by the Canadian Special Crops Association (CSCA), the PULSE & SPECIAL CROPS CONVENTION (PSCC) brings together hundreds of industry leaders and buyers from around the globe to network and discuss sector-wide challenges and grow their businesses.

In 2020, the CSCA will host its 34th convention in Whistler, BC. Sponsoring PSCC 2020 is a unique opportunity to increase your corporate

presence within the global pulse and special crops industry. This year, we have made it even more unique by giving our sponsorship levels a "Whistler" theme, which will be reflected throughout the convention.

CSCA staff will work closely with you to ensure your involvement in the convention meets your goals and provides you with an excellent return on your investment.
